1. This is in reply to your letter of 10 June concerning subject paper.

2. I believe it would be both wise and useful for us to make a very limited distribution of this memorandum within the Agency. Twenty-five copies should fulfill our needs.

3. It would be appreciated if you would draft a cover memorandum, probably for Mr. Bissell's signature, indicating precisely the circumstances under which the [ ] memorandum was composed. As we agreed in our recent conversation, we should make it very clear to recipients of the memorandum that it was not sponsored by the Government.
